Welcome to multi-award winning Celtic Holiday Parks, the home of #hottubheaven.

We are delighted to welcome everyone to **Celtic Holiday Parks** to enjoy all that Pembrokeshire has to offer. This year sees the company celebrating 22 years in business. Prior to our first park purchases we farmed for generations in North Wales - making the change in direction to Holiday Park ownership was a huge, but exciting step for the family. From small beginnings, with just 6 in our team, we now employ over 45 local people. Multi award winning - National Tourism Award as "Best Caravan and Glamping" in Wales, "Best Independent Business" Pembrokeshire Business Awards; "Best Caravan Park" (Meadow House Holiday Park Pembrokeshire Tourism Awards; "Best Fully Serviced Caravan Park" in the Welsh Enterprise Awards 2020, Celtic Holiday Parks "Best Luxury Self-Catering Accommodation Provider" Lux Life 2020 Award and the prestigious Hoseasons DIAMOND Award for **Celtic Escapes**. We're hugely proud to have received these awards, as recognition of Celtic's three wonderful holiday parks created in Pembrokeshire, Britain's only coastal National Park.

Croft Country Park, Meadow House and Noble Court which is also home to **Celtic Escapes** all offer unique setting, atmosphere and features with customers loving the hot tubs accompanying our holiday homes, glamping and lodges. Choose from the tranquility of woodland countryside, breathtaking cliff-top scenery with outstanding sea views or a sweeping valley with extensive grounds. All of Celtic's Parks are a haven of peace and an oasis for wildlife, reflected by our Gold David Bellamy Conservation Awards. There really is something for everyone to enjoy, including your four-legged friends as all our Parks are dog-friendly! Celtic has made a significant investment in food and beverage facilities to create the Charlie's brand across both Meadow and Croft, with the Celtic Tavern opening at Noble Court later this year. "Relax and explore" is our core holiday ethos here at Celtic! We're not about fast food, fast lives or childrens club commotion. Take your next break with Celtic, and if you fall in love with it like we did, then why not consider owning your own holiday home and stay with us much longer!

Celtic Holiday Parks... relax, explore and play in Pembrokeshire

Surfing in Pembrokeshire - give it a go!

Discover Puffins on
Skomer Island

There's over
52 glorious beaches,
which ones will you find?

Carew Castle - go explore

Explore Pembrokeshire - naturally social distanced

You simply couldn't have any better outdoor experience than visiting Pembrokeshire! From scenery, to coastline, islands, castles and beaches, every bit of our great outdoors is a feast for the eyes. In fact from the moment you awake on any of our Parks, the great outdoors is there, just ready for you to explore.

Surrounded by water on three sides, this county's sandy beaches and coves are up there with the very best in the World! Voted second in National Geographic Traveller magazine's poll of the world's best coastal destinations, award winning is an understatement. **52 glorious beaches** in Pembrokeshire, from wide expanses of golden sands at Saundersfoot, Tenby and Newgale to cwtchy (cuddly) coves like Cwm yr Eglwys in the North of Pembrokeshire. Boasting **12 Blue Flag and 13 Green Coast beaches**, together with **11 seaside and 21 rural seaside awards**, the area is truly EPIC!

Take a stroll, fly a kite, build a sandcastle, rock pool to your hearts content, run with the dog, surf 'til you drop with sheer exhaustion, whatever takes your fancy our beaches will tick some of your bucket list!

For those of you who love walking, you'll find the internationally renowned **186 miles of coast path** National Trail. The ever changing coastal vistas are spectacular - but if you just can't get

enough of them you'll find the **All Wales Coast Path** to keep you going along the whole coast. There's fabulous walks along inland paths and wooded areas such as Canaston Woods, not to mention a plethora of cycle paths to enjoy if pedal power is your thing.

Legends, heritage and folklore also abound, with historic castles such as Carew and Pembroke (the birthplace of Henry Tudor), Pembrokeshire's own Stonehenge - Pentre Ifan and world renowned St David's Cathedral and Bishops Palace. Historic Tenby with its colourful Georgian facades, two sandy beaches, a stunning harbour and trips to monastic Caldey Island (often featured on television), and is equally spectacular in real life. Don't forget the National Trust's 15th century Tudor Merchant House which really brings to life living conditions during those times.

We have wonderful islands in Pembrokeshire including Grassholm, Skomer, Skokholm and Ramsey, which are breeding grounds for Puffins, Guillemots and Choughs. A day trip to Skomer is highly recommended especially in May when wildflowers are in abundance and you can spot Puffins galore.

Our Parks are brilliantly located to enjoy anything and everything that Pembrokeshire has to offer. Why not explore a little further with the useful websites below.

oasis for wildlife...

David Bellamy Conservation Awards - helping us look at the bigger picture!

We're proud that our Parks are different, rather unique in fact.

We like the quiet life, away from it all, relaxing in peace and calm.

Sounds good doesn't it? All three of our Parks have consistently been awarded Gold status from the David Bellamy Conservation Award Scheme for Holiday Parks. We've created an environment that's not just beautiful and enjoyable, but is an oasis for wildlife. Our grounds team work throughout the year to implement the guidelines and projects recommended by the award organisers, including wildflower meadows where Cowslip, Meadowsweet, Oxeye and Vetch grow in abundance during the spring and summer months, using seeds originating in Britain.

This year we were delighted to be awarded our "Hedgerow Habitat" badge for the fantastic work that our grounds team do in conserving and enhancing these habitats - home to insects, butterflies, bees, birds and of course fragrant wildflowers.

Bees are a vital part of the Welsh countryside. They are both fascinating and beautiful, and are one of the important pollinators of crops, fruits and other plants. Our bee friendly approach to conservation is recognised via our

"Honey Bee friendly" status. We use bee friendly plants in all of our borders, baskets and boxes on Park including Aquilegia, Borage, Lobelia, Sunflowers and Verbena.

"Few people realise just how important bumblebees are. They are charming little things and a pleasure to see, but they also do an essential job which many people take for granted. If bumblebees continue to decline then we face ecological turmoil".

Chris Packham, Naturalist, Television Presenter
Source: Bumblebee Conservation.org

Other green projects include the installation of greenhouses; we now collect seeds in the autumn to propagate our own plants ready for planting out in early Spring, together with the propagation of other plants throughout the year from our on site cuttings programme. Our energy consumption is monitored and we use green energies as often as possible on the Parks.

We know that as a visitor you will be keen for Celtic Holiday Parks to do our bit to support our environmental goals. By recycling when you're on holiday using our dedicated recycling areas you'll avoid sending waste unnecessarily to landfill, where even simple things like polystyrene cups can take over 500 years to decay and glass bottles over one million years.

Let's do all we can to keep Pembrokeshire's landscapes as green as they are today.

"Bees may be tiny, but they are really powerful insects, essential to our healthy environment"

It's Me, the Celtic Bee!

You'll see me buzzing around these pages and on the Parks! Please do your bit to help protect our bee colonies for the future.

Head Gardener Karsten and Ben from our Grounds team accepting the David Bellamy Award.

"I've always had a vision to bring high end interior design, fitting of a boutique hotel into the holiday park industry. I'd like to think that we've achieved this during the refurbishment of Charlie's at Meadow House. Crushed velvet, sitting against raw timbers with splashes of copper and dynamic lighting are a feast for the eye, as is the dining experience. Enjoy."

luxury glamping and lodges

You'll find Celtic Escapes at our Noble Court Park, close to the boutique shopping town of Narberth. Glamping and luxury lodges abound, it really is "Jacuzzi Hot Tub Heaven". Celtic Escapes is located in a wonderful natural retreat with superb vistas over meadows and fields, boasting uninterrupted views towards the Brecon Beacons. Breakfast alfresco on your decking, watching rabbits at play, is a simple joy.

We have several styles of Safari Tent to sleep up to 6 people, cosy Hideaway Log Pods, Bluebell Pods and our luxurious and very popular Hampton Luxury Lodges, described in detail overleaf.

For larger families you'll love the Spinney which sleeps 6, whilst the Dovecote epitomises restful stays with two double bedrooms. The Poppy is fun and quirky accommodation offering the ultimate glamping experience. With the exception of log pods, all accommodation has a family size bbq.

Spectacularly decadent are the double storey Safari tents - Cowslip and Foxglove featuring private decking areas with hot tub and luxury shower room on the ground floor. Internally they feature quirky light fittings, chandeliers, faux fur rugs and cushions and amazing detailing. Sumptuous four posters beds are

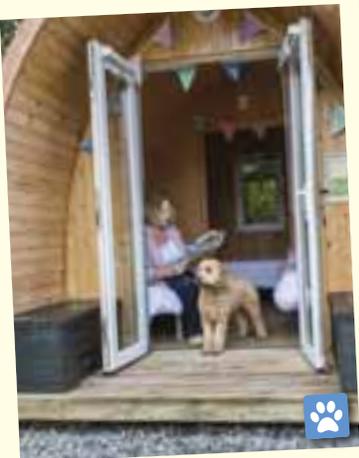

dressed with mosquito nets for that real safari feel. First floor features 3 or 4 single beds fully made up with great duvets and fluffy pillows. The Primrose Safari tent is single storey with a twin, and double bedroom. Industrial style lighting adds to the quirky feel. Each Safari Tent has a log burner for that snugly feeling when the sun goes down.

With full electricity, running water, kettles, microwaves, electric induction hob and fridge they really are a home from home, but with a great big splash of adventure thrown in. Is this camping? Yes, but with HUGE style...

"Fabulous" "funky" and "fresh" are just some of the adjectives we've heard to describe our Bluebell Pods, with their interior woodland theme fitting of the Noble rural landscape. These beautifully designed pods have distinctive interiors including a practical kitchenette, dining table, shower room, sofa and a dining area which transforms into a comfy double bed. They are centrally heated and feature Bluetooth integrated sounds system for your enjoyment!

As an added luxury, you've got a hot tub with each of our Bluebell Lodges - designer interiors, fabulous views, bubbly hot tubs - ticking your boxes?

Breathtaking uninterrupted rural views make for blissful breaks in luxury **Hampton Lodges**.

The Hamptons are simply in a class of their own. Without exception, each visitor to these lodges in the "Celtic Escapes" family burst out in wide smiles, and gasp in awe! Their elevated position within the rural landscape gives outstanding views across the valley, towards the Brecon Beacons.

The lodges themselves exude elegance and serenity, with architectural design features including timber panelling, high pitched ceilings, exposed beams, timber floors and neutral and ocean-inspired colours and natural materials; a true reflection of Pembrokeshire's coastal position.

Stunning bathrooms, high-end kitchens with dishwashers, and an integrated washing machine brings a unique accommodation offer to any getaway. The Hampton Lodge is, however, just a part of the story.

Step onto the extensive decking, surrounded by seamless glass balustrading and those views really do come into their own. A bubbly hot tub is the best place to enjoy these vistas, with a glass of something to hand of course.

Designed by Celtic Holiday Parks owner, Huw Pendleton, the one bedroomed lodge sleeps up to 2 people. You'll love the patio doors leading from the living area and the bedroom, directly to the hot tub which has a feature glass ceiling. We even have a pet friendly one!

The boring but essential bits...

The holiday contract

The following terms and conditions will apply to your booking. A contract between you and Celtic Holiday Parks will come in to existence either (i) when we accept your booking and deposit payment by issuing written confirmation of your booking or (ii) if you have made a booking by telephone when we tell you on the telephone, or online over the internet that your booking is confirmed. The contract binds you and all members of your party. It is your responsibility to ensure that all members of your party accept the terms of the contract set out in these terms and conditions of booking. Failure to disclose all relevant information or comply with these terms may lead to termination of the contract and loss of the booking. Please refer to our Celtic Flexi Promise which is relevant during the current Covid framework within which we operate and relates to lock down periods, outlining refund and rebooking procedures.

If you change your booking

After you have paid your deposit you may wish to change some element of the holiday, e.g. type of accommodation. We will try to meet your request, however a charge of £20 per alteration to the holiday will be payable. Substantial changes such as change of location or holiday date will be treated as cancellation (see below). Any changes must be made at least 4 weeks before the holiday start date, and be confirmed to us in writing/by telephone by the same person that made the booking.

Where changes are sought to be made within 4 weeks of the start of the holiday it will be treated as a cancellation, and be subject to cancellation charges as outlined.

If you are covered by our Cancellation Plan and comply with our cancellation plan procedures in the condition above, you will be entitled to a full refund of all monies paid subject to:

1. An administration charge of £50, unless your cancellation occurs within 48 hours of your holiday start date, in which case the refund will be limited to 30% of the total holiday cost.
2. If you have our Cancellation Plan on your booking and need to cancel your holiday for reasons other than stated above, you will incur our cancellation charges in line with the sliding scale shown below, which cover the costs and expenses we incur as a result of your cancellation
3. Payments made with vouchers or credit notes will not be refunded. Number of days in advance of holiday start date, cancellation charges are payable:

Length of time	Cancellation Charge
56 days or more	Deposit and insurance premium(s)

42 - 29 days	50% of total holiday cost
28 - 8 days	90% of total holiday cost
7 days or less	100% of total holiday cost

Please note that the minimum charge is £50 per accommodation unit or pitch cancelled. Payments made by credit card will be repaid to the same credit card if the Cancellation Plan is taken out. In any event cancellation charges as illustrated above will be chargeable, it is recommended that you purchase a Cancellation Plan either from Celtic Holiday Parks or an alternative supplier of your choice.

If you cancel your booking

Should you wish to cancel your holiday please call the relevant Park, and they will advise you on the documentation we require to process your cancellation.

If we make any major alterations to your booking

We try very hard to provide all facilities as advertised in our brochure. It may however be necessary to make some alterations in advance of your holiday. If such change is necessary, we will endeavour to advise you in writing as soon as possible, and give you the options in the section entitled 'Options' if we make a major change or cancel your booking see below.

If we change or cancel your booking

As an experienced and responsible operator our aim is to provide all the services and facilities as described in our brochure. Should it be necessary for us to make any major changes to your booking or in exceptional circumstances cancel your booking we will endeavour to advise you and provide you the following options:

- a) A replacement holiday comparable or superior to the one booked
- b) A replacement holiday together with the difference in price between the holiday booked or
- c) A full refund

In addition to the above and provided it does not arise from circumstances beyond our control, we will also pay compensation for any provable loss.

Hot Tubs

Hot Tubs may not be used after 21.30 and before 0830 hrs. We must ask that you please shower before use. This is essential to the ongoing maintenance of the hot tub. Visits to the beach are part of the Pembrokeshire experience, but it's best if you don't have sand joining you in the hot tub. This can cause issues with the filtration systems and result in clogging and damage. Hot tubs are checked daily by our team with chemical levels monitored and safe use maintained. Sand ingestion to the hot tub during your stay will require a full drain down, clean, refill and heating to temperature for reuse. Should this become necessary an additional charge will be made.

Infectious diseases

Infectious or contagious diseases could easily be passed onto other guests whilst on holiday. You must inform the Duty Manager should you contract any such illness whilst on holiday, in order to protect our guests and team, anyone found to have such a condition may be confined or requested to leave the Park. Please note that in such circumstances we are unable to offer refunds, and we therefore recommend that you take out personal insurance.

Calculating your holiday cost

Please use the Celtic Holiday Parks on line booking facility to check your holiday price or phone 0800 1777 411 for further assistance from our team.

All other supplements

Supplements for pets etc should be added to these costs. Please also note supplements such as Cancellation Plan must be added and are strongly recommended to give you peace of mind.

Holiday prices

The prices and additional charges on our website or verbally quoted via telephone are inclusive of VAT (where applicable). We guarantee once you have made your booking and paid a deposit we will not increase your holiday price unless you make a change to your booking, although we reserve the right to amend the VAT element of prices in the event of a change in the rate of VAT.

Prices quoted on our website may be subject to change and may go up or down reflecting changes in demand and the market place environment. Please note, changes and errors occasionally occur.

You must check the price of you chosen holiday at the time of booking.

Group Bookings

If you wish to book a single sex party we'd really appreciate a quick call in advance of your booking as there may be restrictions on bookings from all male or female parties of over 4 people. Equally for any larger groups, please call as there may be additional restrictions in operation at peak periods. Please always check when you book.

Your holiday balance payment

Deposits are deducted from the full amount due. Bookings made within 4 weeks of the holiday start date must be paid in full. Full balance payment for your holiday is due no later than 4 weeks before the start date of your holiday. The balance due date will be shown on your holiday confirmation. Please note balance reminders will not be sent. Please keep your final confirmation safe as you must present this on arrival at your Holiday Park. If the balance is not received by the due date then your holiday will be treated as a cancellation.

Payment for your holiday and cancellation plan

Payment can be made in full or by deposit to secure your holiday booking. It is a recommendation that you either take out our Cancellation Plan which covers you and your holiday party if you cancel your holiday, or a plan giving comparable cover. Our Cancellation Plan costs £25 per full week, or £15 per short break, per accommodation unit or pitch booked. Any cancellation should be notified to us in writing.

Special and promotional offers

All offers are subject to availability at the time of booking, and to specific offer terms and conditions, and may be withdrawn at any time. These offers only apply to the promotional period stated and cannot normally be combined with any other offer.
