

SAFER STAYS

We look forward to welcoming you back to Celtic Holiday Parks. Please be aware that Welsh Government legislation allows us to reopen on a self contained basis with one household per unit.

Please note, we are currently operating a restricted take away service and external dining at both "Charlie's – Restaurant and Bar" at Croft Country Park (01834 860315) and "Charlie's – Steaks, Grills and Pizzas" at Meadow House (01834 812438). Please ring for further details and to make your booking. Your Guest Host at Noble Court will also have further details and will be happy to make any bookings for you.

The Guest Host team have taken time to pull together some details of businesses close to the Parks which are open currently for Takeaways, but from Monday, April 26th, will be allowed to open.

We recommend that if you are booking takeaways that you do so very early, as there will be limited capacity. You MUST meet takeaway vehicles at the Park entrance and not at your accommodation.

OPEN FOR TAKEAWAYS

A number of the businesses listed below offer delivery services as well. Please check when calling.
