CELTIC'S SAFE VISITS PLEDGE

To You, our Valued Holidaymakers :

"Firstly, thank you for choosing Celtic Holiday Parks as a location to enjoy your holiday.

In these ever changing times, new ways of working are slightly different to what we formerly considered to be "normal". We're very much looking forward to welcoming you to Celtic Holiday Parks. We would appreciate that you familiarise yourself with the Celtic Covid Safety guidelines below prior to your visit. These measures have been introduced to ensure your own safety during your stay, that of our valued team and the wider Pembrokeshire community".

With grateful thanks -

Huw Pendleton

Managing Director

Celtic Holiday Parks

If after reading you are unsure of any of the steps prior to your visit , please don't hesitate to contact the Guest Welcome desk at the Park where you are staying or e mail guestrelations@celticholidayparks.com

Noble Court – noble@celticholidayparks.com 01834 861908

Croft Country Park – croft@celticholidayparks.com 01834 860315

***OUR MANTRA – WASH YOUR HANDS, MAINTAIN SOCIAL DISTANCING AND
STAY ALERT RESPECTING OTHERS AND THE LOCAL COMMUNITY***

WHAT DO YOU NEED TO DO IN ADVANCE OF YOUR STAY?

Pre Arrival Protocol

It is essential that you do not travel to the Park if you or anyone from your household has COVID-19 symptoms. Full guidance may be found on this link [Covid-19 Government guidance for the public](#).

The most common symptoms of coronavirus (COVID-19) are recent onset of a new continuous cough, or high temperature, or a loss of or change in normal sense of taste or smell (anosmia). If you have these symptoms, however mild, stay at home and do not leave your house for at least 7 days from when your symptoms started (if you live alone), or 14 days (if you live with someone who has symptoms). You do not need to call NHS 111 to go into self-isolation. If your symptoms worsen during home isolation or are no better after 7 days, contact [NHS 111 online](#). If you have no internet access, you should call NHS 111. For a medical emergency dial 999.

In order to keep everyone safe, please do not travel to your holiday if you have a temperature, are showing any coronavirus symptoms* or have been asked to self-isolate.

The laws in Wales have been consistently different from those in England. Please ensure that you familiarise yourself with Welsh Covid Regulations before you set off. Check this link for details <https://wales/coronavirus>.

Pre Arrival Data – Test Track and Trace

Our check in procedures have changed in line with legislation. In advance of your arrival you will be required to COMPLETE AN ON LINE PRE ARRIVAL FORM which can be found here: <https://www.celticholidayparks.com/check-in/>.

We would ask that you complete this form 48 hours prior to check in.

This will require full details of every member of your party including names, addresses, telephone number and whether you or any of your party have experienced any Covid Symptoms within 14 days prior to your departure.

PLEASE NOTE: Current Welsh Government legislation only allows visitors who reside in the same household to stay together. There are some exceptions which can be checked via [Alert level 2: frequently asked questions | GOV.WALES](#)

All information captured will be compliant with GDPR regulations and retained for 21 days. ***We do ask for your co-operation in this regard, it is ESSENTIAL that the form is completed in advance of your stay.*** The introduction of these measures are to promote the safest operating regimes to protect our guests, teams, and communities whilst assisting with the Test Track and Trace requirements of the new Covid legislative regime.

Please read the following information, which has been taken from the Welsh Government Website:

The personal information you'll be asked to provide on yourself and/or on your contacts is voluntary. You can decline to provide this information if you have any doubts or concerns. In supporting the NHS Wales Test, Trace, Protect service to deliver contact tracing in Wales, you should remain vigilant for any signs of cyber security, spoofing, phishing or fraud. You will only be contacted through the service if you have received a positive test for coronavirus or you have been identified as a contact of someone who has tested positive.

All contacts from the NHS Wales Test Trace Protect Services will come from dedicated numbers, further information on which is included in these pages:

[contact tracing: if you've tested positive](#)

[contact tracing: if you're a confirmed contact](#)

Additional process summary: <https://bit.ly/2Dj2B5B>

Full details of all Covid-19 related guidance can be found at <https://www.celticholidayparks.com/reopening-with-the-celtic-safe-stays-pledge/>

What shall I bring?

We suggest that you bring PPE supplies along with you, including hand sanitiser and sanitising sprays, disinfectant, soap, masks and gloves. Masks must be worn in all public areas. We recommend bringing your own food and drink to start you off as this will assist with congestion in local shops and avoid having to spend time queuing. We have provided a list of shops who are offering delivery services, all of which are available on our website. Please note that our restaurants are now open (Charlie's Celtic Tavern open for drinks on the terrace only), and provide a take away service! Similarly there are low numbers of restaurants and cafes still operating take away services in the locality.

Our Pledge to our Pembrokeshire Community

Keeping Pembrokeshire safe is hugely important to us as a Company. We respectfully ask that you avoid high volume local honeypots such as Tenby, Saundersfoot and St David's and explore new areas which are likely to have a lower footfall, less congestion and more space. Pembrokeshire is full of heritage, wildlife and great big spaces to take in wonderful fresh air, so you'll be spoilt for choice. It's worth doing your homework before your stay to make the most of your holiday. How about exploring some of our bays by booking a paddle board lesson or enjoy a rock pool forage in a little cove. #exploretheunexplored. We are currently developing some more ideas for exploring Pembrokeshire which will be posted on our website to provide you with a range of ideas.

Other useful links in regard to the Pembrokeshire Coast National Park – coast path opening and attractions can be found here <https://www.pembrokeshirecoast.wales/coronavirus/>

Comprehensive details on exploring Pembrokeshire ... <https://www.visitpembrokeshire.com/>

General information from the Local Authority, Pembrokeshire County Council - <https://www.pembrokeshire.gov.uk/coronavirus-advice-and-guidance>

Our team are also busy compiling a list of shops, restaurants, cafes and bars who are providing a take away or delivery services, which again, will be on our website. We will keep you abreast of facilities which will be open on Park. Please keep checking our website and facebook pages for regular legislative updates.

Remember that wherever you explore, social distancing guidelines are adhered to outside the Parks.

Arrival at your Chosen Holiday Park

Masks are required by law in all public places.

Please park outside the main Reception building. Maps of each Park can be found on our website by following *the links below* -

- *Noble Court Holiday Park/Celtic Escapes –*
<https://www.celticholidayparks.com/media/294964/noblemapmar21.pdf>
- *Meadow House Holiday Park –*
<https://www.celticholidayparks.com/media/294963/meadowmapmar21.pdf>
- *Croft Country Park –*
<https://www.celticholidayparks.com/media/294962/croftmapmar21.pdf>

CHECKING IN

Please wear a mask whilst entering all public places. We will try our utmost to avoid queuing on busy check in days. Check in times are between 12 PM – 5 PM. If you would like to give a call when you are nearing your Holiday Park we can advise based on volume.

Parking is available outside our reception areas. Please respect social distancing guidelines (of 2 m) and follow our distancing signage on the floor. Hand sanitising stations are provided when you enter the main facilities building, and Perspex sneeze guards for the safety of you our valued visitors and our Guest Host teams are in situ.

We will make the check in process as swift as possible for you in order that you can enjoy your holiday without too much of a delay. Only one member of your party is required to check in.

Please be aware that no shared facilities are available across the Park including public toilets and toilet/shower blocks.

Your Holiday Home

Once you are checked in, our Guest Welcome team will advise you of your pitch location, enabling you to start enjoying your well earned break.

What we do to keep you safe

- Our team are fully trained and Covid aware
- No unauthorised visitors are allowed on Park
- Security checks are carried out regularly by the Celtic Holiday Parks team
- Clear reminders about social distancing are visible across the Park facilities for all guests to follow.
- Reducing facilities capacity as direct by Welsh Government guidelines to allow for social distancing in all of our public facilities (as available at the time of your holiday)
- Creating safe queuing areas in all facilities, with relevant signage and floor markers.

What we ask of you

We want you to have a fabulous break with Celtic Holiday Parks – this is hugely important to us, and respectfully ask that you follow our safety guidelines.

- Please do not meet or gather with friends in a social group
- Invite or entertain other visitors in your accommodation
- Allow children to roam unsupervised around the Park, so that they do not, albeit inadvertently, break the social distance rule.
- Maintain social distancing protocols at all times

We will advise facility opening as Welsh Government guidelines for 2021 become more clear. We currently have no information on when Parks and facilities will reopen.

Enjoy exploring your Holiday Park

Celtic Holiday Parks is the home of wide open spaces where you can relax and explore. Enjoy wandering around their countryside settings and taking in the fresh air. We want you to walk freely and enjoy the space, being aware of the need to continually socially distance at all times.

Main Facilities Protocols

Please use the hand sanitiser available when entering or leaving all main facilities buildings. Masks are mandatory.

Restaurant and Bars

Due to Welsh Government legislation our bars and restaurants are currently operating an outdoor service only:

- Charlie's Celtic Tavern at Noble Court is currently open for outside drinks service only on The Terrace. Please ring 01834 861908 to make a booking.
- Charlie's Restaurant and Bar at Croft Country Park is open for outside drinks, dining and take away on The Terrace. Please ring 01834 860315 to make a booking
- Charlie's Steaks, Grills and Pizzas at Meadow House Holiday Park is open as above. Please call 01834 812438 to make a booking.

T

The use of masks is essential until you are seated at your table.

Gyms and Celtic Wellbeing

Well equipped gyms are available at both Meadow House and Croft Country Park. 30 minute and 1 hour sessions are able to be booked via the main facilities numbers above. Further information may be found here <https://www.celticholidayparks.com/media/294990/celticholidayparkgymprotocol2021v1.pdf>

Celtic Wellbeing beauty is now operating at weekends at both Croft and Meadow, using organic Neals Yard products. Further information may be found at <https://www.celticholidayparks.com/wellness-and-beauty/>

Making use of local shopping and Take Away facilities

Receiving deliveries

There are several businesses within the local area offering takeaway and delivery opportunities for both cooked foods and shopping. Our Reception teams will be glad to advise you on what is available at the time of your holiday. Updates will be made on our website going forward.

Please note that if you intend to use supermarket deliveries from major chains such as Tesco, Asda etc deliveries can only be accepted when you are in residence in your holiday

accommodation. Our team are unable to accept delivery prior to your arrival as your accommodation has been pre sanitised and sealed ready for your arrival.

In respect of any deliveries, or use of take away services we ask that you please meet your delivery at the entrance to the Park, outside Reception. Unauthorised vehicles are not able to enter Park facilities.

How you can help us all remain safe?

If someone in your party displays Covid-19 symptoms whilst on holiday

The incubation period of COVID-19 is thought to be between 2 to 14 days (it is believed to be an average of 5 days). This means that if a person remains well 14 days after contact with someone with confirmed coronavirus, they have probably not been infected.

If someone becomes unwell and believe they have been exposed to COVID-19:

- You will need to report your guest becoming unwell to your Park Guest Welcome team. The unwell person should call NHS 111 from their mobile (or 999 if an emergency i.e. if they are seriously ill or injured or their life is at risk) and outline their current symptoms.
- Once we are aware of a guest becoming ill, you will be advised that said guest should be removed to an area which is at least 2 metres away from other people. If possible, a room or area where they can be isolated behind a closed door should be identified for this purpose. If it is possible to open a window, do so for ventilation. The individual who is unwell should call NHS 111 from their mobile (or 999 if an emergency i.e. if they are seriously ill or injured or their life is at risk).
- Whilst they wait for advice from NHS 111 or an ambulance to arrive, they should remain at least 2 metres from other people. They should avoid touching people, surfaces and objects and be advised to cover their mouth and nose with a disposable tissue when they cough or sneeze and put the tissue in a bag or pocket then throw the tissue in the bin. If they don't have any tissues available, they should cough and sneeze into the crook of their elbow. If they need to go to the bathroom whilst waiting for medical assistance, they should use a separate bathroom if available.

Where guests have become ill whilst on holiday, the party will be asked to travel home as a matter of urgency.

PRIOR TO DEPARTURE

Check out is by 11 AM.

We would ask that you please check out on line <https://www.celticholidayparks.com/check-out/>.

Alternatively you can complete a Check Out form which will be contained in your Welcome Pack as part of the Track and Trace system. This will in due course be available on line also. Please complete the form and drop in to reception as you leave.

We thank you so much for your support, and most importantly have a fantastic holiday.

[Covid-19 Government guidance for the public](#)

- The most common symptoms of coronavirus (COVID-19) are recent onset of a new continuous cough or high temperature or a loss of, or change in, normal sense of taste or smell (anosmia). If you have these symptoms, however mild, stay at home and do not leave your house for at least 7 days from when your symptoms started (if you live alone), or 14 days (if you live with someone who has symptoms). You do not need to call NHS 111 to go into self-isolation. If your symptoms worsen during home isolation or are no better after 7 days, contact [NHS 111 online](#). If you have no internet access, you should call NHS 111. For a medical emergency dial 999.
- Wash your hands more often than usual, for 20 seconds using soap and hot water, particularly after coughing, sneezing and blowing your nose, or after being in public areas where other people are doing so. Use hand sanitiser if that is all you have access to.
- To reduce the spread of germs when you cough or sneeze, cover your mouth and nose with a tissue, or your sleeve (not your hands) if you don't have a tissue, and throw the tissue in a bin immediately. Then wash your hands using soap and water or use a hand sanitising gel.
- Clean and disinfect regularly touched objects and surfaces using your regular cleaning products to reduce the risk of passing the infection on to other people

Staying alert and safe (social distancing)

<https://www.gov.uk/government/publications/staying-alert-and-safe-social-distancing>

Llywodraeth Cymru
Welsh Government

Test. Trace. Protect. To keep Wales safe.

What do you need to do?

GIG CYMRU
NHS Wales
Meddyl Ghoeddius
Cymru
Public Health
Wales

1

You develop at least 1 coronavirus symptom: a new continuous cough; high temperature; or loss of smell or taste.

If you've been within 1m of someone for 1 minute or longer or within 2m of someone for 15 minutes or longer, you'll need to tell us about them. You'll also need to tell us about anyone you've travelled in a vehicle with, or people who've sat near you on public transport.

2

You and members of your household follow self-isolation guidance.

3

Take a test within the first 5 days of developing symptoms, when the test is most effective. [Apply for a test here.](#)

4

If the test is negative, no further action is needed by you or others in the household. You no longer need to self-isolate. If the test is positive, you will be contacted by a contact tracer on behalf of the NHS Wales Test, Trace, Protect service. You will only be contacted after you have had a positive test.

6

A contact tracer will get in touch with your contacts. They will tell them that they have been in contact with someone who has tested positive for coronavirus. Your identity will not be revealed unless you give permission. They will be provided with support and advised to self-isolate for 14 days from their last contact with you. Members of their household will not be asked to self-isolate, but should follow the [social distancing guidance](#) and avoid contact with the person isolating at home.

5

You will be asked to provide us with information. We will need to know who you've been in contact with and where you've been in the two days before your symptoms started until now.

7

Your contact will only be advised to take a test if they are displaying symptoms. Testing asymptomatic people is not recommended as it can generate false negatives. If they test positive, the process will be repeated for this person, their household members and contacts.

TRACE YOUR MOVEMENTS. STOP THE SPREAD.
