## SAFER STAYS

### USING SWIMMING POOLS AT CELTIC HOLIDAY PARKS

Croft Country Park

Noble Court

Meadow House

Swimming pools will reopen at Meadow House in due course. The outdoor pool is due to open at Noble Court at the end of May.

If you are swimming at Croft Country Park – please follow the protocols below -

**Pre booking is essential.**

#### SWIMMING

We book up to two groups to use the swimming pool at any one time.

#### BOOKING

A 30 minute or 1 hour slot is available for pre booking. We ask that you arrive promptly for your session time allowing the pool operation to work smoothly and safely.

Croft Country Park – 01834 8603157

Noble Court – 01834 861908

Meadow House – 01834 812438

**Sorry, but we are unable to facilitate block bookings.**

To provide equitable use of the pool (as far as we are able), you will need to book your swimming slot, swim and then rebook your next session. All children 16 and under will need to be accompanied by an adult.

#### WHAT DO I NEED TO BRING

As identified by Swim Wales we run a “Beach style – turn up and swim” protocol. A pre sanitised plastic box will be available within the swimming pool area for you to decant your clothes into, and use the changing rooms post swim. This means that less time is required in changing areas and more time for you to swim, also allowing distancing within the changing area.
