TORONTO LODGE

The Beeches

Situated in the private "Beeches" development, this stunning Toronto Lodge with its countryside facing aspect, represents the very best of lodge styling and layout for family stays.

The lodge has both a double bedroom, twin bedroom and a quirky triple bunk set up for your younger contingent!

Unique and not often found in lodge design we're delighted to bring the Toronto to Pembrokeshire. 42 x 20" the lodge is filled with natural light by front aspect French doors and a large front window feature. There are free standing sofas in the lounge area together with a wooden dining table with large wrap-around corner dining seating for family mealtimes. The Velux window in the kitchen gives a light feel, well fitted with wine cooler, five burner gas hob and integrated dishwasher. The small utility area includes a washing machine and range of coat hooks. The master bedroom features a lift up king size bed with orthopaedic mattress, as well as a vanity unit and en suite shower room. In addition there is a main bathroom.

Price available upon request. Includes 2022 pitch fees and insurance.
