RELAX AND EXPLORE

WELCOME TO MULTI-AWARD WINNING CELTIC HOLIDAY PARKS, THE HOME OF **#HOTTUBHEAVEN**

With three glorious Holiday Parks in Pembrokeshire to choose from, you'll really be spoilt for choice for your 2024 staycation. Opt for the tranquil haven of Croft, the stunning seaside setting of Meadow House, or the relaxing countryside retreat of Noble Court - also home to Celtic Escapes glamping and luxury lodges.

This is a significant year for my family as we celebrate 25 years of holiday park ownership, arriving from North Wales with our first Park purchase at Croft. I like to think that my family has created an experience at Celtic which will become part of your own family heritage, with

treasured memories of holidays well spent in Pembrokeshire. Our ethos is relax and explore. Relax in your beautiful accommodation, Park surroundings, and facilities such as Charlie's restaurants, which you'll find on each Park, Celtic Wellbeing beauty and fitness, and fabulous swimming pools. Explore! Pembrokeshire has so much to offer you'll need to make multiple returns to the county. Take your next break with Celtic, and if you fall in love with it like we did, then join our valued owners by purchasing your own holiday home and stay with us much longer!"

ICONIC CAREW CASTLE

HOLIDAY PARKS PROVIDING AN OASIS FOR WILDLIFE

We are proud that our Parks are different, rather unique in fact, with a flourishing natural environment that's not just beautiful, but is planted to support wildlife including the bee and butterfly populations. We plant thousands of wildflower seeds every year, and you'll even find a pack awaiting you when you arrive on holiday here!

Consistently awarded Gold status from the David Bellamy Conservation Award Scheme for Holiday Parks, our Gardening and Grounds team are focussed on the conservation of natural habitats for you and our wildlife neighbours to enjoy. Celtic's bee friendly approach to conservation is recognised via our Honey Bee Friendly status.

Our energy consumption is monitored and we use green energies as often as possible on the Parks. We know that as a visitor, you will be keen for Celtic Holiday Parks to do our bit to support our environmental goals. By recycling when you're on holiday using our dedicated recycling areas, you'll avoid sending waste unnecessarily to landfill where even simple things like polystyrene cups can take over 500 years to decay, and glass bottles over one million years.

Let's do all we can to keep Pembrokeshire's landscapes as green as they are today.

Bees may be tiny, but they are really powerful insects, essential to our healthy environment.

“First stay here, first impression is what an absolutely stunning place. The grounds are so clean and peaceful, staff friendly and inviting, food was fabulous and well presented. Will definitely be staying here again!”

I’d like to think that we’ve achieved this during the refurbishment of all of our “Charlie’s” Restaurants at each of our Parks. From crushed velvet, sitting against raw timbers with splashes of copper and dynamic lighting, to a cow hanging from the ceiling, these are a feast for the eye, as is the dining experience. Enjoy!”

Any changes must be made at least 4 weeks before the holiday start date, and be confirmed to us in writing/by telephone by the same person that made the booking. Where changes are sought to be made within 4 weeks of the start of the holiday it will be treated as a cancellation and be subject to cancellation charges as outlined. If you are covered by our Cancellation Plan and comply with our cancellation plan procedures in the condition above, you will be entitled to a full refund of all monies paid subject to:

1. An administration charge of £50, unless your cancellation occurs within 48 hours of your holiday start date, in which case the refund will be limited to 30% of the total holiday cost.
2. If you have our Cancellation Plan on your booking and need to cancel your holiday for reasons other than stated above, you will incur our cancellation charges in line with the sliding scale as detailed at point 3, which cover the costs and expenses we incur as a result of your cancellation.

3. Payments made with vouchers or credit notes will not be refunded.

Number of days in advance of holiday start date, cancellation charges are payable:

Length of time	Cancellation Charge
56 days or more:	Deposit and insurance premium(s)
43 – 55 days:	30% of total holiday cost
42 – 29 days:	50% of total holiday cost
28 – 8 days:	90% of total holiday cost
7 days or less:	100% of total holiday cost

Please note that the minimum charge is £50 per accommodation unit or pitch cancelled. Payments made by credit card will be repaid to the same credit card if the Cancellation Plan is taken out. In any event cancellation charges as illustrated above will be chargeable, it is recommended that you purchase a Cancellation Plan either from Celtic Holiday Parks or an alternative supplier of your choice.

IF YOU CANCEL YOUR BOOKING

Should you wish to cancel your holiday please call the relevant Park, and they will advise you on the documentation we require to process your cancellation.

IF WE MAKE ANY MAJOR ALTERATIONS TO YOUR BOOKING

We try very hard to provide all facilities as advertised in our brochure. It may however be necessary to make some alterations in advance of your holiday. If such change is necessary, we will endeavour to advise you in writing as soon as possible, and give you the options in the section entitled 'Options' if we make a major change or cancel your booking see below.

IF WE CHANGE OR CANCEL YOUR BOOKING

As an experienced and responsible operator, our aim is to provide all the services and facilities as described in our brochure. Should it be necessary for us to make any major changes to your booking or in exceptional circumstances cancel your booking we will endeavour to advise you and provide you the following options:

- a) A replacement holiday comparable or superior to the

one booked

b) A replacement holiday together with the difference in price between the holiday booked or

c) A full refund

In addition to the above and provided it does not arise from circumstances beyond our control, we will also pay compensation for any provable loss.

HOT TUBS

Hot tubs may not be used after 2130 hrs and before 0830 hrs. We must ask that you please shower before use. This is essential to the ongoing maintenance of the hot tub. Visits to the beach are part of the Pembrokeshire experience, but it's best if you don't have sand joining you in the hot tub. This can cause issues with the filtration systems and result in clogging and damage. Hot tubs are checked daily by our team with chemical levels monitored and safe use maintained. Sand ingestion to the hot tub during your stay will require a full drain down, clean, refill and heating to temperature for reuse. Should this become necessary an additional charge will be made.

INFECTIOUS DISEASES

Infectious or contagious diseases could easily be passed onto other guests whilst on holiday. You must inform the Duty Manager should you contract any such illness whilst on holiday, in order to protect our guests and team. Anyone found to have such a condition may be confined or requested to leave the Park. Please note that in such circumstances we are unable to offer refunds, and we therefore recommend that you take out personal insurance.

CALCULATING YOUR HOLIDAY COST

Please use the Celtic Holiday Parks online booking facility to check your holiday price or phone 0800 1777 411 for further assistance from our team.

ALL OTHER SUPPLEMENTS

Supplements for pets etc. should be added to these costs. Please also note supplements such as a Cancellation Plan must be added on and are strongly recommended to give you peace of mind.

HOLIDAY PRICES

The prices and additional charges on our website or verbally quoted via telephone are inclusive of VAT (where applicable). We guarantee once you have made your booking and paid a deposit we will not increase your holiday price unless you make a change to your booking, although we reserve the right to amend the VAT element of prices in the event of a change in the rate of VAT. Prices quoted on our website may be subject to change and may go up or down reflecting changes in demand and the market place environment. Please note, changes and errors occasionally occur. You must check the price of you chosen holiday at the time of booking.

GROUP BOOKINGS

If you wish to book a single sex party we'd really appreciate a quick call in advance of your booking as there may be restrictions on bookings from all male or female parties of over 4 people. Equally for any larger groups, please call as there may be additional restrictions in operation at peak periods. Please always check when you book.

YOUR HOLIDAY BALANCE PAYMENT

Deposits are deducted from the full amount due. Bookings made within 4 weeks of the holiday start date must be paid in full. Full balance payment for your holiday is due no later than 4 weeks before the start date of your holiday. The balance due date will be shown on your holiday confirmation. Please note balance reminders will not be sent. Please keep your final confirmation safe as you must present this on arrival at your Holiday Park. If the balance is not received by the due date then your holiday will be treated as a cancellation.

PAYMENT FOR YOUR HOLIDAY AND CANCELLATION PLAN

Payment can be made in full or by deposit to secure your holiday booking. It is a recommendation that you either take out our Cancellation Plan which covers you and your holiday party if you cancel your holiday, or a plan giving comparable cover. Our Cancellation Plan costs £25.00 per booking, per accommodation unit or pitch booked. Any cancellation should be notified to us in writing.

SPECIAL AND PROMOTIONAL OFFERS

All offers are subject to availability at the time of booking, and to specific offer terms and conditions, and may be withdrawn at any time. These offers only apply to the promotional period stated and cannot normally be combined with any other offer.

ERRORS

Whilst every effort is made to avoid changes or errors, we are only human. Please check and/or query the details and price of your chosen holiday at the time of booking.

AVAILABILITY OF FACILITIES

Parks open from 1st March to 30th November, opening times for individual facilities may differ from Park to Park, so please check with our reception teams if timings are essential to your holiday enjoyment. Certain facilities may have age restrictions. Please check at the time of booking. To ensure our guests enjoyment in the swimming pools, session bathing may occur. The operation of the parks is subject to legislation and the guidelines laid down by the Health & Safety Executive and Local Authorities and their codes of practice. We accordingly reserve the right to adjust our services in order to meet these standards. It is possible that in some circumstances accommodation or a facility may be temporarily withdrawn due to maintenance, renovation, adverse weather conditions, changes in governmental legislation, or any other factor outside our control. We reserve the right to make such alterations in the above circumstances without prior notice, and are unable to accept liability for the loss of an advertised facility, or to pay compensation for any inconvenience caused. Should changes occur, we will advise of these changes where made prior to booking, and will use reasonable endeavours to advise guests already booked of any changes made thereafter.
